Sectorial Focus :

**Computers &
Peripherals**

Automobiles

Engineering

Aero Space

**Electrical
Distributions
Equipments**

Telecom

Sectorial Focus :

Energy Meters

**Fiber Optic
Equipments**

Oil & Gas

**Electronics
Circuit Hardware**

**Electronic Fitting
Hardware**

**Any Customized
Requirements**

Engineering Components :

- ❖ **Plastic**
- ❖ **Rubber**
- ❖ **All Graded Steel**
- ❖ **Brass**
- ❖ **Aluminum**
- ❖ **Graded Ferrous, Non Ferrous Components.**
- ❖ **Customized Components as per Requirements.**

Steel Components :

- **As Casted**
- **As Forged**
- **As Machined**
- **Sheet Metal**

Grounding, Bonding, Utility Accessories - Non Ferrous :

- **Extruded**
- **As Forged**
- **As Machined**
- **Sheet Metal**

Brass Neutral Bar, Terminal Blocks – Non Ferrous:

- **Extruded**
- **As Machined**
- **Sheet Metal**

Plastic Molded Components :

- Injection Molding
- Blow Molding
- Extrusion

Rubber Molded Components :

- Injection Molding
- Compression Molding
- Extrusion

Any Other Products
We are Happy to Serve....
